Passengers should procure tickets before getting on the train

kind in the West and is daily turning out large quantities of work. Send in your orders for binding and blank books and they will be promptly attended to.

sertion in the paper of the following govern themselves accordingly.

THE LEADER lends.

GREER engages in unctious flattery. Stop Greer, we're modest.

Reed and McKinley are figuring for small drops in a long upward move- fulgent rays over the darkened site postoffice. Good work guaranteed. the Republican nomination in 1896.

THE LEADER has \$10,000 worth of new machinery and is the best sional operator in stocks has plans for diate friends of the bride and groom. buildings, all kinds of fruits, sideequipped publishing house in the ter helping to produce the condition After the ceremony a sumptuous wed-

WILL GREEK deny that he has attempted to bribe county officers in the strip to give him printing. Be careful ately after repeal was to get a good pioneer physicians of this city and is a we have the proofs.

THE LEADER has the best printing and binding plant in the territory. It is doing the work, too. Does Green take cognizance of that fact.

Poor Greer is having a tough time with Greer's brother's Capital printing office. Ed had better come and take charge of the hell-box before it is hopelessly mired. Poor old Greer!

my bid now and close the deal after Donovan gets his bid in. And I will give you \$50. more if either the Capitol or Press-Gazette gets the order; it don't make any difference to me which."-Greer to county officer.

SEXATORS who expected to help out their family exchequers by threaten estimating them. ing to starve the government employes whose claims made up the urgent deficiency bill, unless the family demands were satisfied, must consider Congressman Hutcheson as stingy as a

A SEDALIA judge boidly advocates a whipping post. While this might provoke a storm of criticism from the like a mad cur at the opening in his more enlightened, there is, nevertheless, great virtue in the remedy. Wife beaters, dog fighters and the tellow who steals your morning paper could be properly punished. Moral influence ER's fine plant doing lots of work, it has great theoretical virtues, but a sound thrashing is much more practieal in some cases.

MAYNARD, the Democratic candidate for the New York supreme bench, was charged with dishonesty, and the Democratic votes cut him right and left. Jackson, the Republican candi. A Big Batch of Cases Disposed of Yesterdate for governor of lowa was convicted of corrupt practices as a pension lawyer and disbarred for professional immorality, and the Republicans swallowed him without a grim-

THE LEADER bindery has never sent a dollar's worth of work outside of the territory. It is better equipped and is foreclosure mechanic's lein. Judgdoing more and better work right now ment for plaintiff. than any other plant in Oklhaoma. As to the charge that we are not able to do book work, it is not worth a tiff, \$128. 5 and costs of suit. denial. However, the rooms are open to inspection-if any one doubts let dismissed for want of prosecution. him come and see. Our work now in process of construction or already son, same. shipped to the new counties gives the Annie White vs. Michael White, lie to this malicious charge better same. than any words.

LITTLE WILLIE ANSWERED.

Who is this man, Greer, papa, that blows so long and loud? Is he the man who owns the earth, including quiet title; judgment for plaintiff; the silvery cloud? Is he the man who invented the printing art so fine dismissed for want of prosecution. and gave Columbus pointers on sailing the foamy brine? Did he discover al; suit on foreclosure mortgage; judg-Oklahoma and establish the first paper ment for plaintiff. here, and make blank books by the hundred before the first settler drew wages; judgment for plaintiff, \$108.12

No, no, my son, the father said, you've been reading the evening soak. I'll tell you all but wash your hands West Guthrie home in which a dying for on its fifth you'll choke. Of Greer, man, a preacher, a doctor and, of you ask, a pigmy, a billygoat is he, course, a woman, figure. The preacher who got his start from his brother, seems persistent and may cause the Ed. and by robbing with Governor sensation to be picked before it is Seay. He is no man-he has no soul, fully ripe. his brains are thin and few; his imagina- Fresh buttercups to-day at Mrs. tion burns like sin and enlarges his own Hornbarger's
